3. View a part of this Test

A new university without a library has recently opened in the USA . All the information normally found in a library is now stored in the university's computers . Without leaving their computers, users can send messages and receive information through telephone lines . However, this means that each student must have access to a computer, and many universities are making this a requirement for freshmen . College campuses now have computer jack in every part of the university . Study is no longer restricted to just one location .

True or false : (2ms)

a/ There is a new university without a library in the USA recently

T

F

b/ Users can send and receive messages by using computer

c/ First – year students in many universities are required to have access to a computer

d/ Students have to go to computer rooms to connect their computers to the computer jacks
